I've seen the world and it's gran-deur,..... Man-sions and trea-sures un-
There's on-ly one thing to live for,..... Hap-pi-ness makes life worth

- told,..... And it has taught me this les-son:.....
while,..... And if we can we should try to.....

Some things you can't buy with gold..... In a far diff-erent place tho' I've
Spread it a-round with a smile..... And the hap-pi-est peo-ple I

found..... There was love and con-tent-ment a-round.....
know..... Make their hea-ven in Poy-er-ty Row.....

Just a poor lit-tle house in a poor lit-tle street, But you're al - ways wel - come

p-f

there,..... Hum-ble are they, work - ing all day, Smil - ing at

trou-ble and care. And tho' ba-by it's true, has a hole in his shoe There's a

hole in the win-dow where sun-shine peeps thro'. It's a poor lit-tle house in a poor lit-tle

rit.

street, But there's love and hap-pi-ness there..... Just a there.....
